

*PC Xeon 5355 Cluster, Quad Xeon 2.66GHz, Infiniband, TeamHPC of M&A Tech  
Argonne National Laboratory - CNM, United States*

is ranked

*No. 150*

among the world's TOP500 Supercomputers with

**9.963 TFlop/s Linpack Performance**

The 30th TOP500 list was published at SC07 in Reno, NV November 12th 2007

Congratulations from The TOP500 Editors

A handwritten signature in black ink, appearing to read "Hans Meuer".

Hans Meuer  
University of Mannheim

A handwritten signature in black ink, appearing to read "Erich Strohmaier".

Erich Strohmaier  
NERSC/Berkeley Lab

A handwritten signature in black ink, appearing to read "Jack Dongarra".

Jack Dongarra  
University of Tennessee

A handwritten signature in black ink, appearing to read "Horst Simon".

Horst Simon  
NERSC/Berkeley Lab
